| 1¢           | 21.08mm  | Ackee, a native edible fruit     |

The Jamaican coat of arms appears on the reverse of each coin in the set.

The central design element is a shield surmounted by a crocodile. The shield is flanked by Arawak Indians, who were the original inhabitants of the island.

tants of the island.

At the base of the coat of arms is Jamaica's national motto, "Out of Many, One People"—a reflection of the multiracial composition of the country's population.

OFFICIAL EXCHANGE RATE (8/1/74)—One Dollar Jamaica = \$1.11 U.S.
