COMMEMORATIVE BANKNOTE

The Central Bank of Samoa is issuing a banknote printed on Safeguard® polymer substrate. Our new 10 Tala has been produced to commemorate the XVI Pacific Games 2019 which are being held in Samoa for the third time, scheduled to begin on the 7th July 2019.

This new 10 Tala will be the second polymer banknote issued in Samoa and the first Safeguard® polymer banknote to be carbon offset.

The Banknote design celebrates the youth of Samoa and their sporting legacy. The stories of their daily life and the realization of their sporting dreams are told through the images incorporated on the note.
